

RMT Acupuncture Certificate Program

Program description:

This program was designed specifically for Registered Massage therapists. Through 300 hours systematic study of theoretical knowledges and strict hands-on training on techniques, this program helps students to practice acupuncture and moxibustion with safety and efficacy, and to help improve the effectiveness for treatment of the common diseases in massage clinics, such as pain disorders, inflammatory diseases, motor-neural diseases, and etc.

This program contains the following 6 parts:

1. Science of Channels and Collaterals (45 hours)
2. Science of Acupoints (90hrs)
3. Science of Acupuncture and Moxibustion Techniques I: Needling and Moxibustion (60hrs)
4. Science of Acupuncture and Moxibustion Treatment II: Orthopedics (30hrs)
5. Practical Training of Acupuncture and Moxibustion Techniques (45hrs)
6. Clinical Training of Acupuncture Safety and Effectiveness (30hrs)
